

# WASNAA AL-RUBAYE

IT Graduate

## PROFILE

I am a hardworking, passionate Frontend developer always looking to improve my skills. I enjoy being involved in new experiences and am not afraid to dive headfirst, fascinated by new arising technology and seek to learn them, I have an experience in HTML, CSS, and Javascript, especially in React framework. Having exposure to a wide range of technologies and being able to adapt to almost every setting and the ability to learn quickly and efficiently, I have strong leadership skills in addition to a great team spirit and I am not the kind that gives up easily.
